## COLLAPSIBLE CHOCKS

Shark™ Collapsible Step Cribbing saves critical storage space on your rig. It's innovative design is taller than most traditional step chocks and provides a solid platform for vehicle stabilization. Ultra compact for storage, a pair of nested Sharks™ stand at 5" and can be mounted to a compartment wall or ceiling with the storage bracket.

Both Sharks™ interface seamlessly with the TeleCrib® System and Junior Struts, and provide rock solid stabilization for extrication and patient care.
